

SPONSOR A HEDGEHOG

Hedgehogs like me eat nearly half a can of loaf dog food plus a sprinkling of dried mealworms each day We have a clean towel each day that has to be laundered. It takes two newspapers to line my cage that is cleaned daily.

When we are small the room we are in needs to be heated. To help cover these costs we are being sponsored.

This costs £30.00

Sponsors will be able to choose and name one of us. They will receive a card with a picture and short history explaining why we are in need of care. In the spring they will be sent an update on the progress of their hog.

Sponsorship makes a great birthday or Christmas present.
